Hey guys,

Trial is going swimmingly - I hope you guys are doing well.

I have 5 witnesses left:

1. Latent print expert
2. Ballistics expert
- 3 - 5: you guys

I'm having latents and ballistics come tomorrow at 9am. If you are available at that time, feel free to come early and I'll put you guys on first because I know you have other courts to be in. However, I've heard Della is on a subpoena in Brockton and will be going there first (Annie and I spoke this afternoon). She estimated an ETA of 10:30 am for Della to be available.

My plan is to call the ballistics expert, then latent prints. By that time it should be right around 10:30 am (I think their testimony will take less than an hour). I'll call Kate first (she was involved in testing only one item), and then I was planning on calling Della. She was the primary tester on the majority of the drugs; I was going to follow that up with Annie as the confirmest for both Kate and Della's drugs.

Please give me a call if you have any questions: 617-504-2707. Otherwise I will plan on seeing you guys in court tomorrow morning.

Thanks a lot, and I appreciate your patience...believe me.

Best,

--greg

Hey guys,

The case began with jury empanelment today and we have 12 of 14 jurors selected. We finish empaneling tomorrow morning, then we'll go into testimony around 10:30 or 11.

I have 6 police witnesses scheduled for tomorrow, along with a latent print expert and a ballistics expert. It should be a full day with just those witnesses, and will likely go into wednesday morning.

Based on your previous emails, I believe **Wednesday, January 6, 2010** in the morning is available for all of you guys, so I can plan to call you on Wednesday and have all three of you guys go one after another. If for some reason this does **not** work, give me a call on my cell: 617-504-2707. If I don't answer, I'm stuck in court and I'll call you back when I have a break. Just make sure to leave a good number (cell, if possible) where I can reach you.

I will call and/or email tomorrow evening after court with an update.

Thank you!

It looks like my case will start testimony tomorrow, however, there is a chance that it will plead.

Good Afternoon Everyone,

I have subpoenas from all of you for testimony the first week of January. Although it is one of the better weeks I've had in a while, there are conflicts. My schedule is as follows:

01/04/10 Comm. vs. [REDACTED] New Bedford Superior Court ADA Garrett Fregault  
Comm. vs. [REDACTED] Suffolk Superior Court ADA Gregory Henning  
Comm. vs. [REDACTED] Brockton District Court ADA Michael Sheehan

01/05/10 Comm. vs. [REDACTED] Brockton District Court ADA Patrick Cullinan

Can you let me know if your trial will go forward and help me work out where I need to testify and when? Thank you for all of your help. I will be on vacation from December 21-January 3. May you all have a great holiday.
